

YOUR SPECIALIST ON PAYMENT SERVICES FOR INDUSTRIAL PROPERTY RIGHTS

The maintenance of a portfolio with patents and trademarks costs a lot. It requires qualified staff as well as expensive information processing systems. In accordance with complex legislations that differ from country to country, certain amounts, in certain currencies, need to be paid before certain dates, all over the world. Our job is to assist you with keeping an eye on these upcoming deadlines and make sure that your payments are made in a timely manner.

SINCE 1981

Acumass is one of the leading providers of Intellectual Property services in the world and has been operating in close cooperation with IP law firms for almost 30 years.

A UNIQUE CONCEPT

Contrary to many other service providers within the industry, we do not offer standardized service levels, we customize our services for our clients and specialize in adapting ourselves after the client's needs and demands. Thanks to our in-house developed state of the art management system, we can be extremely flexible on e.g. communication and reports.

To us the satisfaction of our clients is fundamental and we believe in:

- **Quality of Service** – in all aspects of our work, we offer the best possible quality of service and we always strive to exceed our clients' expectations
- **Commitment and Dedication** – working as a tight unit our team enjoys serving our clients and making them happy
- **Trust and Confidence** – when you have handed over the responsibility to us, you just know that your business is in good hands

Even though our clients often describe our services as being simple, secure and cost-efficient, we constantly do everything we can to lower costs even further and try to find new ways to improve our way of working. No matter how good we are, we can always get better !

CENTRALIZE YOUR PAYMENTS - THERE IS NO BETTER WAY TO REDUCE RENEWAL COSTS

The maintenance of a portfolio with patents and trademarks costs a lot. It requires qualified staff as well as expensive information processing systems. In accordance with complex legislations that differ from country to country, certain amounts, in certain currencies, need to be paid before certain dates, all over the world. Our job is to assist you with keeping an eye on these upcoming deadlines and make sure that your payments are made in a timely manner.

THE TREND CONTINUES

More and more IP law firms and industrial companies discover the advantages of centralizing their payments. Not only do you benefit from dealing with one single contact for all countries but also the low fees for monitoring deadlines and executing payments. Thanks to our new state of the art management system especially developed for managing our clients' renewals, any service level can be chosen and you can receive reports in practically any format you like. By using our web tool, you can also produce your own reports whenever you need them.

We have assisted our owners and many other clients with the payment of patent and trademark renewals all over the world for almost 30 years. By joining us as client, you would benefit too from the know-how and vast experience that we have acquired over the years.

For IP law firms that no longer wish to manage their renewals, we offer tailor made outsourcing solutions. If you are interested in knowing how much you would save on outsourcing your renewals management, we would be more than happy to assist you with the preparation of a feasibility study.

YOUR ADVANTAGES IN SHORT

- Maximized security through constant monitoring of payment deadlines
- Reduced administration by dealing with only one point of contact
- Reduced costs through close cooperation with local patent offices and a global network of representatives
- Low fees for monitoring deadlines and executing payments
- Customized reporting in accordance with your demands
- Secure on-time payments throughout the world
- Online access to portfolio through our web tool
